The 6th International Conference on Advances in Hematology & Oncology

August 4–5, 2018

The Coeur d’Alene Resort - Coeur d’Alene, ID

http://oncology.binayfoundation.org/
TARGET AUDIENCE
Hematologists/Oncologists
Radiation Oncologists
Surgical Oncologists
Primary Care Providers
Physician Assistants
Residents & Fellows
Nurses/Nurse Practitioners
Pharmacists
Researchers
Other Healthcare Providers

OBJECTIVES
At the conclusion of this activity, participants will be able to:

State common treatment options available to patients with hematologic malignancies & solid tumors,
Identify indications, contra-indications, and side effects of those available treatment options,
Apply the knowledge gained to provide appropriate counseling & care to patients receiving cancer treatment,
Describe the indications and contra-indications for immunotherapy treatment in cancer, and
Interpret and implement relevant data presented at the 2018 ASCO® Annual Meeting

ASCO® is a registered trademark of American Society of Clinical Oncology, Inc. All rights reserved worldwide.
WHY ATTEND ICAHO 2018?

Renowned faculties
Comprehensive topics
National level conference

Free wi-fi in the meeting hall
Venue your entire family will love!

Interact, ask questions, and network with faculties & colleagues all in one room

CREDIT STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Ada Canyon Medical Education Consortium and the Binaytara Foundation. The Ada Canyon Medical Education Consortium is accredited by the Idaho Medical Association and the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Ada Canyon Medical Education Consortium designates this live activity for a maximum of 10.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Lake Tower: $ 335/night
Park Tower: $ 275/night
North Wing: $ 225/night
The Binaytara Foundation (BTF) is a 501(c) 3 non-profit established in October of 2007 with the goal of bringing positive changes in people’s lives by promoting health and education.

**Mission Statement**

The Binaytara Foundation seeks to improve healthcare in resource-poor communities and improve access to cancer care worldwide by innovating cost-effective, culturally appropriate models of healthcare delivery; by advocating for better access and improved quality of care; and by educating healthcare providers and community members about various aspects of disease prevention and management.

**About the Binaytara Foundation**

We envision a world where every human being will have access to healthcare that is based on evidence, that is culturally appropriate, and that improves their quality of life.
